

NORTH MAIN CONSTRUCTION UPDATE

Memo from Mayor Kinskey
and Ward 1 Councilors John Heath and Ryan Mulholland
and Ward 3 Councilors Bob Webster and Steve Brantz

Communication is vital on a project like this – especially because it affects your neighborhood and business. We have asked the engineers on the project to keep the lines of communication with you open:

- There will be weekly progress meetings on Wednesdays at 11:00 AM at the Best Western Sheridan Center. All meetings are open to the public and this is your opportunity to express your concerns and get your questions answered.
- Weekly newsletters with updates will be sent out. If you would like to receive these updates via e-mail, please contact Ronda Holwell with WYDOT at ronda.holwell@dot.state.wy.us or 307-674-2300.

Sincerely,

Dave Kinskey, Mayor

Update from the City of Sheridan for the week of April 12.

- Work continues on the North Main Street project. The contractor plans to work in the following areas this next week.

16th Street to Goose Creek

- - The contractor continues work on the storm drain outfall from 16th Street to Goose Creek.

16th Street from Frackelton to Main Street

- - The contractor continues utility work on 16th Street from Frackelton to Main Street.
- - 16th Street is closed from Frackelton to Main Street.

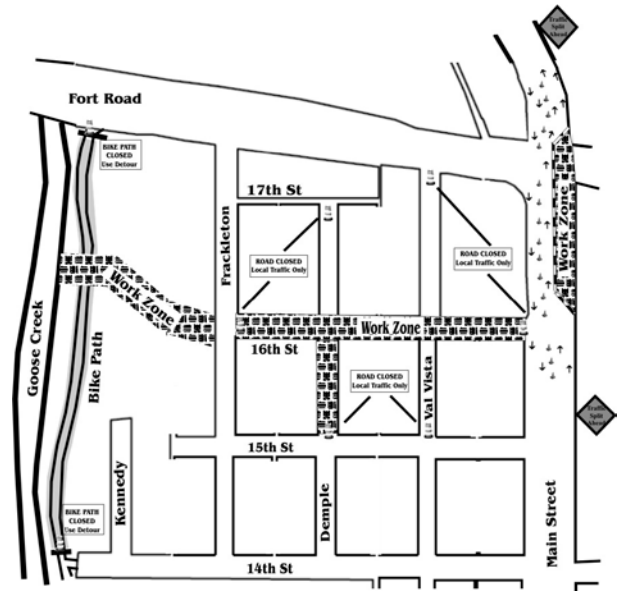

Demple St. from 16th St. to 15th St.

- - The contractor will begin utility work on Demple St.
- - Demple St. will be closed from 16th St. to 15th St.

Main Street from Fort Road to 16th Street

- - The contractor continues reconstruction on the east half of Main Street from Fort Road to 16th Street.
- - Traffic continues to be shifted west to one lane in each direction.

This map reflects the work area.

PLEASE REMEMBER ALL SCHEDULING IS DEPENDENT UPON
WEATHER AND OTHER UNFORSEEN IMPACTS!
