

Look at what else is new with the City of Sheridan Solid Waste and Recycling Program!

RECYCLING NOTES:

- The Solid Waste Division will be adding bins for PAPERBOARD at all of the drop sites in Sheridan. This is for cereal boxes, egg cartons, notepad backing and other paperboard materials. Please do not deposit wet paperboard or paperboard contaminated with food, grease, or oil in the recycle bins.
- The Recycling markets have changed in our area. Our brokers now want magazines, books and newspapers combined. MIXED PAPER has changed to OFFICE PAPER ONLY. This includes all earth-tone colored paper, sticky notes, envelopes (plastic windows removed) as well as office paper. Do not put in extremely dark colored paper or plastic coated paper.

LANDFILL NOTES:

- COMPOST is ready for \$15 per ton. Please remember that all loads must be tarped and all pick-ups must have tailgates and flatbed trailers must have side boards and tailgates in order for the compost to leave the landfill.
- WOODCHIPS are now for sale. Course woodchips are \$5.00 per cubic yard. The minimum charge is \$5.00. Medium woodchips are \$10.00 per cubic yard. The minimum charge is \$10.00. Please remember that all loads must be tarped and all pick-ups must have tailgates and flatbed trailers must have side boards and tailgates in order for the woodchips to leave the landfill.

We are committed to providing quality service to the citizens of Sheridan.
